**SUBJECT: WAIVER OF APPLICATION AND TUITION FEE FOR SEPTEMBER 2023 INTAKE**

As you are all aware, the University held its 8<sup>th</sup> Graduation Ceremony on 15<sup>th</sup> September, 2023 releasing a new group of graduates into the job market.

In an effort to support the graduating class to transit to the next level of their academic journey, the University has introduced some incentives to assist the graduates to immediately enroll for further studies. The incentives aim at facilitating eligible students to join the ongoing September 2023 intake, which is scheduled to close on September 29, 2023.

The University has approved the following incentives:

- i. Waiver of application fees for the graduated 2023 class for any University programme that one is qualified to pursue.
- ii. A 16% tuition fee discount for those progressing to any postgraduate and Diploma programmes from the graduated 2023 class.
- iii. A 16% fee discount for those progressing to any Bachelor's degree programme for the graduated 2023 class except those joining some selected programmes in the School of Agriculture.
- iv. A special fee discount of between 30 and 50% of the total fees payable for all students enrolling for selected Bachelor's programmes in the School of Agriculture during the 2023/2024 Academic Year.

All staff and students are therefore called upon to bring this information to attention of eligible students and to encourage the prospective students to visit the Admissions Office for further details and or to submit their application before the enrollment deadline.

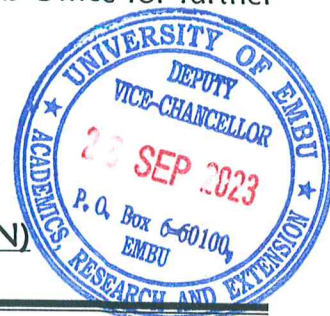

Thank you.
